

Technology Agreement

_____ Child's Name and Date

I understand that I need to responsibly use the technology that my parent(s) give me. This includes the cell phone, computer (mine or someone else's), Xbox, Wii and any website that I visit or join. These rules apply to all devices.

I understand that:

- I am not allowed to text during class (texting may be turned off).
- I am not allowed to call anyone during class, unless it's an emergency.
- I am not allowed to use cuss words when texting.
- I am not allowed to text inappropriate things to girls/boys. I am not allowed to share photos where I am posing in a way that I wouldn't do in front of my family.
- My devices will be turned off at bedtime. My parent(s) will monitor my phone and/or online activities. We have an open phone policy. That means my parent(s) can look at my calls and texts at any time. If I change my password, my parent(s) need to know.
- If a stranger ever contacts me in any way that I need to tell my parent(s).
- If I see someone being mean to another person, I will tell them to stop and then tell my parent(s). If someone is mean to me online I shouldn't respond. Instead, I will tell my parent(s). If someone asks me something inappropriate, I shouldn't respond. I will NOT GET IN TROUBLE when I tell my parent(s).
- I am not allowed to lie about my age to join any website or to use an app.

- There are consequences for not following these rules. Consequences include things like losing the privilege to use my phone or computer. I absolutely will NOT GET IN TROUBLE if my friends do something with technology that I know is wrong.
- This agreement is for my well-being and safety because my parent(s) love me.
