

*My Warrior Princess,*

I know that many days you feel like a weary Warrior, too tired to fight. I see you when you have exhausted your faith and lost your passion for My people. Today I want to paint an eternal picture for My beloved Warrior. Every act of kindness you share will water someone's thirsty soul. Every time you pray for someone, you are changing their destiny from darkness to light. You are more than a light in the darkness. Your faith will continue to be a raging fire that will burn in the hearts of many generations who follow your wonderful works on earth!

*Love,*

*Your Eternal King*
